

A Community of Wisdom™

LITTLETON, COLORADO

March 15 – May 6, 2011

A Community of Wisdom is a city-wide collaboration demonstrating that all citizens from 2 to 102 have wisdom in their heads and their hearts. It inspires, harvests, shares and celebrates such wisdom, helping all of us appreciate the gifts we bring to the city. This event involves a number of public and private venues where residents can participate and engage in the dialogue.

“Wise Owls” can be found at all participating organizations (including a Spanish text). Community members of all ages are invited to pick up an Owl and write or draw answers to two questions:

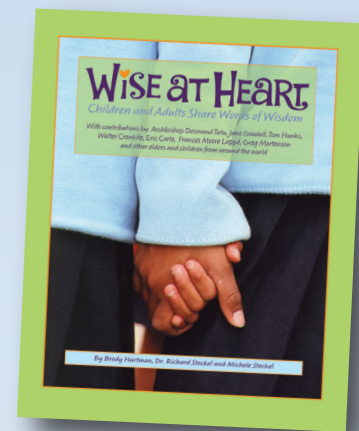

What is a bit of enduring wisdom they received as a child?

What is a bit of wisdom they would like to pass along?

While the Owls are anonymous, participants can fill out an entry form for a drawing for copies of the new Milestones book, *Wise at Heart™*. Drop off boxes for Owls and entries can be found at all participating organizations.

By March 30th, Wisdom Trees will be constructed at ACC, the Buck Center, and Bemis Library and various locations below where the Owls will be hung.

A community celebration will be hosted by ACC on May 6th, from 6-8 pm. Littleton celebrities will read selected wisdom quotes and everyone is encouraged to join fellow wise participants! Refreshments will be served accompanied by a performance from the ACC Music Department.

This event is supported by:

Arapahoe Community College
Bemis Public Library
Buck Recreation Center
Colorado Business Bank
Details Boutique
Doctors' Care

Hot Pots
JaJa Bistro
Couture Kid
Las Huertas
